Please update the EPA Region 3 web page for Pennsylvania (<http://www.epa.gov/aboutepa/states/pa.html>) under the "Dimock, Pa. Activities heading as follows:

Delete the first bullet that says:

"Validated data summary report for the first 31 Dimock households that were sampled."

Replace this bullet with a new bullet that says:

"Validated data summary report for the first 47 Dimock households that were sampled."

Create a link to the bullet that goes to:

<https://www.epaosc.org/sites/7555/files/Dimock%20W1,2,3%20-HW45%20Compulation%20Report.pdf>

I will send you the direct link for the new bullet soon. It will be a link to a document being post on an epaosc page.

Thank you.
